The attached list of citations on PTO Form 1449 is being submitted under the provisions of 37 CFR §1.56 and §1.97 for consideration by the United States Patent and Trademark Office, prior to the granting of this patent. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention.

The documents cited herein are listed on the enclosed PTO Form 1449. A copy of each cited document is enclosed, except U.S. Patent documents, and references which are already part of the filewrapper. This information disclosure statement is being filed under the provisions of 37 C.F.R. §1.97(c)(2), i.e., *after* three months of the filing date of the subject application or after the mailing date of the first Office Action on the merits, whichever event occurred last but *before* the mailing date of either a Final Action under 37 CFR §1.113 or a Notice of Allowance under 37 CFR §1.311.

Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below. If any additional fees or charges are required by this paper the Commissioner is hereby authorized to charge Deposit account 19-2570 accordingly.

Respectfully submitted,
